Beauty, thoughtfully kept

Display with care

Keep preserved and dried flowers indoors, away from direct sunlight, water, steam and excess humidity. Avoid heat sources and strong airflow.

Handle gently

Support the container or base when moving an arrangement. Avoid pressing petals or bending dried stems. Remove surface dust with a soft, dry brush or gentle cool air.

Make it personal

Share the brochure reference, preferred colour palette, display location and desired size. For gifting, specify the occasion and any presentation requirements.

Confirm your selection

Request the final dimensions, flower treatment, container material, packaging, quantity, lead time and price for your chosen design. Confirm whether accessories shown are included.
